EHCPs - Education Health and Care Assessment?

SEND Services

If your child's school or setting can't meet your child's needs using the support they usually offer to children who need extra help, the County Council may carry out a needs assessment for your child. This is called an Education Health and Care Assessment or EHC assessment. When your child's needs have been assessed a plan for meeting them may be drawn up. This plan is called an Education Health and Care Plan (EHCP).
