### 1. Aims

This policy aims to:

- Provide a **consistent approach** to behaviour management and the creation of our positive culture

- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to conduct themselves**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **rewards and sanctions**

#### Intent:

At Waseley we are passionate about creating a culture of safety where students and staff can come and feel safe, where teachers can teach, and students can learn. A system and process that everyone understands and is clear, is consistent and is fair is fundamental to the calm climate of the school. Respect is core to our values and to promote mutual respect is fundamental to the success of all our pupils.

Being respectful, through kind words, body language, and being a caring member of staff whilst upholding our clear expectations that everyone knows and understands is vital to the consistent and fair approach, we embody at Waseley.

Staff at Waseley share the same belief that all our pupils should feel encouraged to be the best versions of themselves and be guided on how to achieve this. At times this will mean the pupils are held accountable for their actions and choice behaviours but more often than that their success and achievements recognised and celebrated.

#### Implementation:

In order to have clarity we have developed and published a set of expectations that are applied consistently alongside a set of character traits that we want students to aspire to. We track behaviour using ETHIC points which are analysed via HOY and are converted into rewards delivered via the pastoral team. These expectations all come with a debit when students don't live up to them, and conversely, the traits are rewarded with a Credit when students meet them.

Our basic expectations (O5) are clear and outlined below. If students are issued an O2 or O3, then they will receive a 10-minute detention to be sat at Break or Lunch time depending on when issued.

Our 5 standards (O5)	
<b>O1</b>	Wear correct uniform.
<b>O2</b>	Be calm and treat everyone with respect.
<b>O3</b>	Be on time to school and lessons.
<b>O4</b>	No eating or drinking outside of designated areas.
<b>O5</b>	All mobile phones and smart watches are off and in bags.

Our expectations in lessons (L5) are outlined below. Where students fail to meet these expectations, they will be offered correction first. Adults will judge the need for a consequence based upon how far a behaviour meets the following considerations.

- **Remind:** When students persistently engage in off-task behaviour that they know they shouldn't. The teacher will remind students of their expectations off-stage. If this behaviour is not corrected, they will be issued with an L.
- **Reflect: - Restorative opportunity:** On receiving 2 L's students are offered the opportunity to have a time out, reset their behaviour and reenter the classroom, following a calm conversation with the class teacher. The class teacher will ask the student to move seats in the classroom.
- **Re-route:** If a student cannot reset and they receive another L, 3 in total, then they will be sent to another classroom to complete their work. This will result in a call home and a subject detention of half an hour after school. If the student continues to disrupt and does not reset their behaviour then they will be referred to Refocus.
- **Re-build:** Following a re-route a detention is issued. The class teacher will attend the detention and withdraw the student to discuss their behaviour in the class. The discussion will provide an opportunity for a restorative discussion between the teacher and student.

Expectations for Learning (L5)	
<b>L1</b>	Be equipped with a folder, pens, pencil, ruler and books.
<b>L2</b>	Always show PRIDE in your work.
<b>L3</b>	Listen effectively and act on instruction without comment.
<b>L4</b>	Be focussed on learning at all times.
<b>L5</b>	Answer questions set.

At Waseley, our character traits are outlined below, each one of these are also part of the KASE curriculum that defines the Knowledge, Attributes, Skills and Experiences that we want all of our students to acquire.

These ETHICs come with Credits that are attached. Over the course of a year, students will build a balance of ETHIC points which are used to determine what rewards they would like to purchase from the school reward shop. Students are also issued house points for their daily attendance along with rewards for reading, homework and oracy. Students are also awarded 'Five to Thrive' points to recognise attendance, punctuality, equipment, effort and uniform.

Rewards (E5)	
<b>E1</b>	Excellence
<b>E2</b>	Team
<b>E3</b>	Honesty
<b>E4</b>	Intelligence
<b>E5</b>	Confidence

3. Ensuring fairness of treatment for all
4. Responding consistently to both positive and negative behaviour
5. Developing a positive and active partnership

It is the duty of all staff to correct breeches of our school rules. Adults will always look to offer

opportunities for students to self-regulate and take ownership, correcting their own behaviour before issuing a consequence.

- Behaviour and discipline in schools
- Searching, screening and confiscation at school
- The Equality Act 2010

It is also based on the special educational needs and disability (SEND) code of practice.

In addition, this policy is based on:

- Schedule 1 of the Education (Independent School Standards) Regulations 2014; paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy

Corrections and Consequences are used as part of our approach to ensure a calm, orderly and effective school. Consequences available include:

- moving a student within a classroom
- waiting behind to discuss behaviour at end of lesson
- repeating work
- 10-minute O Consequence
- 20-minute lunchtime consequence
- 30-minute after school Re-Route Detention
- Personal detentions set in school by staff
- SLT Friday detention 60-90 minutes after school

### **Circumstances in which the police could be called:**

WHHS has the authority to contact the police when any evidence of a criminal act has been uncovered as a result of internal school investigations, adhering to guidance set out in the NPCC "When to Call the Police" These will include:

- possession or selling of illegal drugs
- cyber bullying, persistent bullying or harassment
- theft of property
- assault
- possession of offensive weapons (including knives and guns) or imitation weapons

### **Incidents away from school:**

In line with the "Headteachers Guide for Behaviour and Discipline in School" WHHS also has the authority to punish students for incidents of negative behaviour outside of school hours for misbehaviour when the pupil is:

- taking part in any school-organised or school-related activity or
- travelling to or from school or
- wearing school uniform or
- in some other way identifiable as a student at the school (this can include a report from any member of the public who identifies a student as attending WHHS)

or misbehaviour at any time, whether or not the conditions above apply, that:

- could have repercussions for the orderly running of the school or
- poses a threat to another pupil or member of the public or
- could adversely affect the reputation of the school

### **Detentions**

Staff are not required to give 24 hours notification for detentions. Our consequences are short and based on the principle of certainty over severity. It is critical that consequences are served as close to transgressions as possible so that students understand how their choices have led to a consequence.

## **6. Roles and Responsibilities**

### **All Staff:**

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents (via SIMS, parental view available)

### **The Governing Board:**

The governing board is responsible for monitoring this behaviour policy's effectiveness and holding the HOS and Executive Principal to account for its implementation.

The Principal is responsible for reviewing and approving this behaviour policy. The HOS will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied positively.

**Parents:**

Parents are expected to:

- Support their child in adhering to our expectations
- Inform the school of any changes in circumstances that may affect their child's behavior
- Discuss any behavioural concerns with the class teacher/tutor promptly

**Malicious allegations:**

Where a student makes an accusation against a member of staff and that accusation is shown to have been malicious, the Head of School will discipline the pupil in accordance with this policy.

## **7. Behaviour Management**

**Classroom management:**

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Teach high quality lessons.
- Display the E5, L5 and O5
- Develop a positive relationship with pupils, which may include:
  - Greeting pupils in the morning/at the start of lessons
  - Following consistent and clear routines
  - Communicating expectations of behaviour in ways other than verbally
  - Rewarding using the Waseley ETHIC
  - Starting every lesson afresh
  - Never shouting

**Re-routing:**

This system is designed to support all staff in the teaching and learning of their students. If a student repeatedly and willfully fails to meet L expectations they will be re-routed to another classroom, if this fails they will be referred to Refocus. In here they will complete work in silence. If a student fails to meet the Refocus expectations, they will have to repeat the time in Refocus.

We may use Refocus in response to serious or persistent breaches of this policy or as an alternative to suspension. Pupils may be sent to Refocus during lessons if they are unable to complete the lesson in the re-route lesson and continue to be disruptive, and they will be expected to complete work as they would in class. Students who do not attend a given detention and do not try and address the issue may also be placed in Refocus.

**Physical restraint**

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

### **Confiscation**

Any prohibited items (listed in section 3) found in pupils' possession will be confiscated; these items will not be returned to pupils. We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

### **Mobile Phones**

Pupils may bring mobile devices into school but are not permitted to use them during the school day at all, this also included smart watches and personal music devices; we have a gate to gate policy and students phones should be switched off and remain in their school bag from the point of arrival at the school gate, until they exit the school gate at the end of the day.

1. First breach – phone confiscated and collected by student from O11 at the end of the school day
2. Second breach – phone confiscated and remain in school until parent/carer has met with a member of SLT/Head of Year to collect the phone; 30 minute consequence issued
3. Third breach – phone confiscated and remain in school until parent/carer has met with a member of SLT; 30-minute consequence set. Any further breaches could result in suspension from school and/or the need to sign phone in and out of reception each day.

### **Pupil support**

The school recognises its legal duty under The Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil through reasonable adjustments.

Where students are identified as having multiple consequences, repeat suspensions or other identifiable concerns, they will be placed upon a 6-week Pastoral Support Plan which will be done in-line with their Head of Year.

The school's special educational needs coordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programs for that child. We will work with parents to create the plan and review it on a regular basis.

Other support may include:

- Specific student CPD.
- Bespoke behaviour support plan
- Bespoke pastoral support plan
- Student Welfare team intervention
- Effective PSHCE education.
- Tutor programme.
- 1:2:1 sessions with adults including head of year and SWOs.
- The use of Alternative Provision or other educational settings.
- Team around the Child meetings

## **8. Pupil transition**

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings. To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

## **9. Training**

Our staff are provided with training on managing behaviour, as part of their induction process. Clear expectations are set for all teaching staff, Tutors, Subject Leads and Heads of Year, which outline a supportive mechanism in response to supporting colleagues with managing and maintaining behaviour.

Behaviour management will also form part of continuing professional development including training in how to talk to students and the importance of positivity.

Students have been trained in how to respond to corrections

## **10. Monitoring arrangements**

This behaviour policy will be reviewed by the Headteacher and full Governing Body annually. At each review, the policy will be approved by the Headteacher.

**REMINDE:** Remind the student of your expectations – this is an off-stage correction. If this behaviour is not corrected, issue an L.  
**REFLECT:** Reflective discussion at the door with a second L issued and student moved seat. They are welcomed back into the lesson.  
**RE-ROUTE:** Final L issued, logged, and student is 're-routed' to another classroom and issued a 30-minute detention and a phone call home.
