SCHOOL UNIFORM POLICY

At Waseley Hills High School we believe that school uniform is important as it is central to ensuring the students are dressed for success and ready to learn without distraction. It allows for a sense of belonging to the school to be visually promoted and celebrated. We expect all our parents and carers, along with the students to support our mindset that appropriate school uniform allows for a positive learning environment and ensures the image within the wider community is respected and reflects the ethos of the school and what we are trying to achieve. Failure to adhere to our School Uniform Policy will result in sanctions in line with the school's Behaviour Policy. The school holds a stock of uniform and shoes as well as PE kit and pumps; if students attend school dressed inappropriately or in incorrect PE kit, they will be expected to borrow items and change, the school's decision should be respected.
